

YAO XINGJIAN

Computer Science Student · Peking University

+86 198 2749 7049 | 2500013214@stu.pku.edu.cn

EDUCATION

Peking University

Beijing, China · Sep 2025 – Present

B.S. student, Computer Science, School of Electronics Engineering and Computer Science

- Relevant coursework: Programming Practice, Foundations of Artificial Intelligence, Introduction to Informatics, Calculus, Advanced Algebra, and Mechanics.

Chengdu No. 7 High School

Chengdu, China · Sep 2022 – Jun 2025

SELECTED PROJECTS

AI-Assisted Mobile Photography · Innovation+ Workstation

Team Lead

Industry–university project with Xinyan Group and Peking University

- Exploring how large language models can guide everyday users to compose and capture more aesthetically effective photographs with a smartphone.
- Applied concepts in image segmentation and computational aesthetic assessment while coordinating the project team.

Qianli Interactive Fiction Reading Platform

Developer

- Developing an interactive reading platform that uses large language models to generate story content and adapt narrative branches to reader choices.
- Practised prompt engineering and evaluated the practical strengths and limitations of generative AI in long-form storytelling.

HONORS & AWARDS

First Prize, 23rd Jiang Zehan Cup Mathematical Modeling Competition, Peking University

2026

Second Prize, Chinese Physics Olympiad (CPhO)

2025

Second Prize, Chinese High School Mathematics League

2025

SKILLS

Programming: C++, Python

Languages: Mandarin Chinese (native), English (fluent; TOEFL 110), French (learning)

Tools: Git, GitHub

LEADERSHIP & ACTIVITIES

- Community service:** I am a volunteer in Peking University student service team.
- Athletics:** Member of the School of Electronics Engineering and Computer Science badminton team; placed 5th in the Chengdu Badminton Ranking Tournament and 28th in the men's division of the Yanqing Badaling Great Wall Trail Race.
- Interdisciplinary interests:** Coursework in modern Western philosophy, French history, university Chinese, the history of absolutist France, and public speaking in English.
